SERVICES

A modern office interior featuring a lounge area with a light blue sofa and a glass-walled office in the background. A reception desk with a computer monitor is visible on the right. The ceiling has recessed lighting and a large square air conditioning unit.

**A DEDICATED TEAM WITH EXPERIENCED
STAFF - PROVIDING HIGH QUALITY CLIMATE
SOLUTIONS.**

LETTER OF INTENT

Our team here at Infinity HVAC are the ideal candidates for your next project due to the vast and varied experience we collectively hold - experience which has prepared us to handle any challenging climate solutions projects. We are ready to utilize this experience, in combination with our knowledge and technical know-how, to find the right solution for you.

The goal of our business is to understand the intricacies and importance of your project so that we can plan out how to approach the task with a few key principles in mind: being cost efficient, producing work of a high standard of quality and making sure it is delivered in a timely manner.

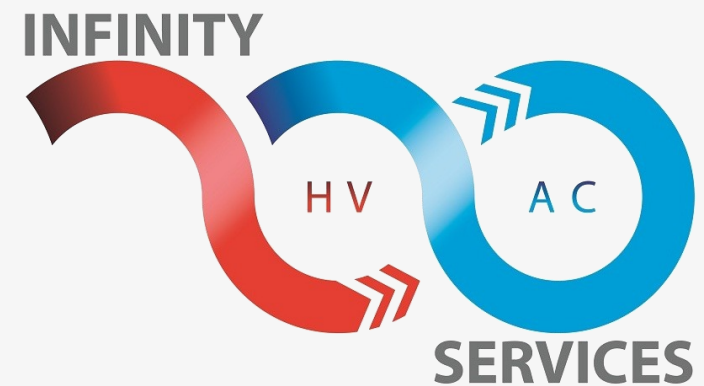

Our team members have worked with some of the biggest builders, construction companies and developers in Australia - so we will have no shortage of experience to draw knowledge from when it comes to providing you with a customized solution. We make sure that our solutions are tailor made to suit you and your needs.

The following pages will allow you to take a glimpse at what Infinity HVAC can offer you.

If you have any queries please contact us at any time, we're here to help you.

Yours truly,

Infinity HVAC

ABOUT US

We are a Sydney based company that is made up of a team with experience working across the state and nationally. For all your Heating Ventilation and Air Conditioning needs, commercial and high-end residential, Infinity HVAC Services are specialists in installing, servicing and maintenance of all your HVAC Systems.

Infinity HVAC Services has developed and incorporated a range of services including BMS Controls, wide variety of mechanical and engineering services, Climate Control System Installation and top of the range service with delivery across the nation and Sydney Metro.

With a team of fully qualified and licensed technicians, Infinity HVAC Services guarantees flawless service, outstanding workmanship and precise time management. We aim to make our projects as cost-effective as possible whilst maintaining a very high standard in quality of work.

Whether your project is as simple as installing an air condition in a bedroom or as intricate as installing thousands of units throughout a hotel, Infinity HVAC Services has the expertise necessary to fulfil your requirements, within your budget.
